Item 9. Other Events.

Please be advised of the following items approved by the Board of Directors at their regular meeting and by the Stockholders at their Special Meeting, each held on January 29, 2018.

Regular Meeting of the Board of Directors

During the January 29, 2018 Regular Meeting of the Board of Directors of the Bank, where a quorum was present and acting throughout, the following were approved:

1. Stock Rights Offering
On January 29, 2018, Rizal Commercial Banking Corporation ("RCBC" or the "Bank") received Board of Directors approval to conduct a Stock Rights Offer (the "Rights Offer") to raise up to Fifteen Billion Pesos (P15,000,000,000.00) in fresh Common Equity Tier 1 capital. Timing of the transaction is subject to receipt of regulatory approvals as well as market and other conditions.

Whilst current capital ratios of RCBC are above the BSP requirements, the Bank expects the proceeds of the Rights Offer to further strengthen its capital ratios under the Basel III standards and to support its asset growth. As of September 30, 2017, RCBC's consolidated Common Equity Tier 1 ("CET1") ratio and Capital Adequacy Ratio ("CAR") stood at 12.4% and 15.5%, respectively.

The Bank believes it is well positioned to capitalize on economic growth in the Philippines, which the Bank expects to be conducive to further loan expansion across industry segments and consumer spending. In particular, RCBC seeks to focus on consumer, SMEs, the middle market and the microfinance sector, and to pursue sustainable loan growth by leveraging on the Bank's recently expanded and strategically located branch network, especially in the fast-growing export processing zones (and areas outside of Metro Manila where the Bank believes growth potential is strong and largely untapped). RCBC also intends to use investments in technology to improve customer experience, broaden its customer base, and increase operational efficiency.

The Yuchengco Group of Companies and Cathay Life Insurance Company Limited, the two largest shareholders of the Bank, have committed to subscribe to their proportionate share of the stock rights offer. The Rights Offer shares will be coming from the increase in the authorized capital stock of the Bank, which was approved by a majority of the directors in its regular board meeting held on November 27, 2017 and by the Bank's stockholders representing at least two-thirds of RCBC's outstanding capital stock and entitled to vote at a special stockholders' meeting held on January 29, 2018. The approved increase will raise the Bank's authorized capital stock from P16 Billion to P28 Billion. This will be effected through an increase in Authorized Common Shares to 2.6 Billion from 1.4 Billion. With par value of Php10.00 per share, there will be an increase of P12 Billion in the amount of Authorized Common Shares from P14 Billion to P26 Billion. The new Common Shares shall have the same features, rights and obligations as, and will rank pari passu in all respects with, the existing Common Shares of the Bank. The Bank intends to offer the Rights Offer to eligible stockholders as of a record date, which will be a date no less than 15 days from approval by the Philippine Stock Exchange of the Bank's listing application for the Rights Offer shares. The Rights Offer price will be computed based on the volume weighted average of RCBC's common shares listed on the PSE within a certain period prior to the pricing date, subject to a discount.

The Board of Directors has delegated to the Bank's President and Chief Executive Officer, Mr. Gil A. Buenaventura, and Senior Executive Vice President, Mr. John Thomas G. Deveras, the necessary

authorities to finalize the details for the Stock Rights Offer and to secure the necessary approvals from the regulators.

This announcement does not constitute an offer to sell or a solicitation of an offer to buy securities in any jurisdiction, including the United States. The securities referred to herein may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the U.S. Securities Act of 1933, as amended (the "Securities Act")) except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in each case in accordance with the applicable laws of each state and other jurisdiction of the United States. There will be no public offering of the securities in the United States.
