Report under section 17 of the SRC amid COVID-19 Pandemic

Background/Description of the Disclosure

The Bank has a live pandemic contingency plan in place since 2015. The Plan was invoked as early as 21 January 2020 and the Bank is now in the highest implementation stage of the plan since the crisis started. This includes on-going split work arrangements, work from home, and skeleton set up in key locations.

The Bank has identified potential affected businesses as well as consumers who might be affected by the crisis, and has existing policies in place that would allow granting of financial assistance (e.g. by way of suspension of payments, adjustment in due dates, etc) to all affected customers.

The Bank is in the middle of a stress test exercise to assess current crisis impact to its whole portfolio.

The Bank shall continue to serve the banking requirements of all its customers amidst this crisis.
