Update on the report in 2018 AFS pertaining to the Bangladesh Case

**Background/Description of the Disclosure**

The Bangladesh Bank filed a complaint on January 31, 2019, in the Southern District of New York (Federal Court in New York) against RCBC and a set of individual RCBC employees, other individuals and entities. Although RCBC believes service of the complaint and summons was not proper, RCBC appeared in the action for purposes of defending itself and bringing a motion to dismiss the complaint on two grounds: forum non conveniens (that the case belongs in the Philippines); and lack of subject matter jurisdiction (that the federal court does not have authority to hear the case). The motions to dismiss are currently pending.”
